

**\*\*STATEMENT\*\***

The Jewish Children's Museum's mission is to promote tolerance and understanding through bridging cultural gaps. The Museum's firm belief is that through today's youth, we can build a brighter tomorrow.

Therefore, during the summer months, **the Museum will be opening its doors to the Crown Heights community on two separate Sundays at no charge.**

Everyday inside our doors, hundreds of children from all faiths and ethnicities come together for an educational encounter with a culture that differs from their own. Through the hands-on and engaging education that our visitors receive, we are building brighter futures and a safer world for our children.
